Dear Parents/Carers

In the event of bad weather and the school having to close please be aware of the following points:

- Miss Hudson will make the decision to close the school if she feels it is unsafe for children and staff to be on or travel to the property.
- The school closure will be posted on Facebook, Dorset for You (go to <http://mapping.dorsetforyou.com/closedservices>) and will be broadcast on local radio station Heart FM & Wave.
- An email will be sent advising you of the closure.

Please keep in mind that school closure may occur during the course of a school day, in which case the above notification strategies will be used and you may also be notified via a telephone call from the school office.

Yours sincerely

Jo Hudson
